

# Safety Measures at the MAC

#StopTheSpread

**Guests MUST WEAR MASKS** unless prohibited by a medical condition or disability.

**Keep a distance of 6 feet – about one body length – away from other people when possible. A limited number of guests are allowed in the galleries at any time.**

**Hand sanitizer and hand washing sinks are available in the building.**

**Avoid touching other people, and that includes handshakes.**

These measures help slow down the spread of the coronavirus, which keeps our resources available to those in need.
